Prestige Harbourview Sanctuary Residence

Penthouse residents and their guests will be welcomed via a private lobby with two lifts featuring destination control. Elegant and sophisticated, with sleek marble, glass, and brass accents, while the upper-level lobby features a soaring double-height skylight atrium.

From Boffi kitchen to the elegant coffered ceilings and skylights above, every detail is sculpted to perfection. The luxuriously overscaled spaces are all about creating a rich and layered ambience. They shape majestic interior landscapes where even the largest extended families can find their own voice.
